to be raised from Rs 3 to Rs 5 are not clear inasmuch as for purposes of allowances Chik-magalur is classed as semi-malnad. Draft calling for additional information from the Dy. Comr in this respect is submitted. As regards the remaining items, Branch II may be consulted.

2. The finances of the Municipality are in a fair condition. The average annual receipts and expenditure as calculated on the figures for the 5 years ending 1912-1913 are Rs 26,407 and Rs 21,722 respectively. The budget figures for 1913-1914 as per draft budget prepared in this office and now pending orders are as follows:-

Opening balance	=	24,434
Probable receipts	=	25,460
Total	=	49,894
Probable expenditure	=	34,427
Closing balance	=	15,467

It may however be mentioned in this connection that the Chikmagalur Municipal Council have proposed to contribute a sum of Rs 600 annually to the Government Free Library in the town and that the Dy. Commissioner's letter in the matter has

Sir,

I have the honor to state that the Municipal Council of Chikmagalur having in thier meeting convened on the 15th March 1913, proposed to give permanent increase to the pay of certain Municipal servants, the following provisions were included in the draft budget passed by the Council and submitted to Government for sanction.

2. A provision of Rs. 24/- has been made for giving an increase of Rs. 2/- per mensem to the conservency mutsaddi who is now drawing Rs. 8/- per mensem to secure the services of a competent man, as he has to work under the Sanitary Inspector, maintain Registers and other correspondenceand ought to be a man knowing English.

3. An additional provision of Rs. 282/- has been made for giving an increase of Re 1/- per mensem to each of the 20 sweepers now drawing a pay of Rs. 6/- per mensem, and increase of eight annas per mensem to 7 sweepers who are now getting to pay of Rs. 7/- This increase of pay is proposed in consequence of the dearness of provisions and the great demand for labour and the consequent difficulty experienced in getting the services of sweepers.

4. An additional provision of Rs. 36/- is made as it is proposed to raise the pay of the garden sweeper and sowdi from Rs. 6/- to Rs. 7/- per mensem and also to raise the pay of the musafer-khana

musafirkhana watcher from Rs. 5 to Rs. 6 the reason for the proposal being the same as in the case of the sweepers.

5. An extra provision of Rs. 24/- under the maternity charges is also made as the mid-wife at Chikmagalur has to get Rs. 15+5 instead of Rs. 15+3 per mensem.

6. An additional provision of Rs. 12/- is made under water supply maintenance establishment as it is proposed to give an increase of Rs. 1/- to the fitter who is at present getting Rs. 14/- per mensem. The fitter is a very responsible servant and the Council have therefore proposed to give a permanent increase of Rs. 1/-. The cost of the establishment referred to as per present pay and that as proposed by the Board is shown in a tabular form in the margin for ready reference :-

Head of Account	Designation	1913-14		1912-13		Net increase per year

Rs. 31½ per mensem or net increase 378 per year.-

7. I request that you will be so good as to obtain the sanction of the Government to the proposal of the Board, with effect from 1st July 1913.

Copies of resolutions of the Board are herewith submitted.

I have the honor to be,

Sir,
